Beverley

PHOTOGRAPHED BY GORDON HICKMAN

As we mentioned before, Bev is also a stripper and body builder as well as a model. Indeed she combines the two and her body-building striptease act has to be felt to be believed. So chortled the Editor at least, having been victimised at the office party when Bev hauled him out of the audience and crawled up his leg. She was covered in baby oil at the time — he in confusion — and much was the jeering at his embarrassment. Now of course he boasts about it. And it was only an excuse to get his suit cleaned on expenses anyway. Bev, meanwhile, is 22 years old, 5′ 3″ tall and 34-22-34 in all the places that matter.

Think of a song. *Come Into The Garden, Maude? Swingtime For Hitler?* No, that sounds more like Fiesta. Who got her first and then blew it by making her a goalkeeper!

She's 5′8″ tall so her figure is topped by genuine 38 inchers. And she thought The Balham Alligators were great. *And* she holds the world record for not sleeping with the Editor!

Did she sleep in his spare room because he was drunk? Did he get drunk because she slept in the spare room? Would you like to sleep next to a brewery? We may never know . . .

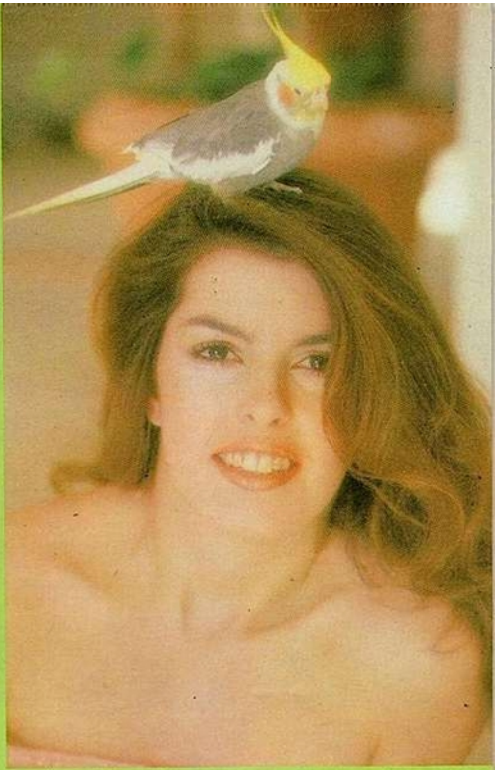
KNAVE MAGAZINE

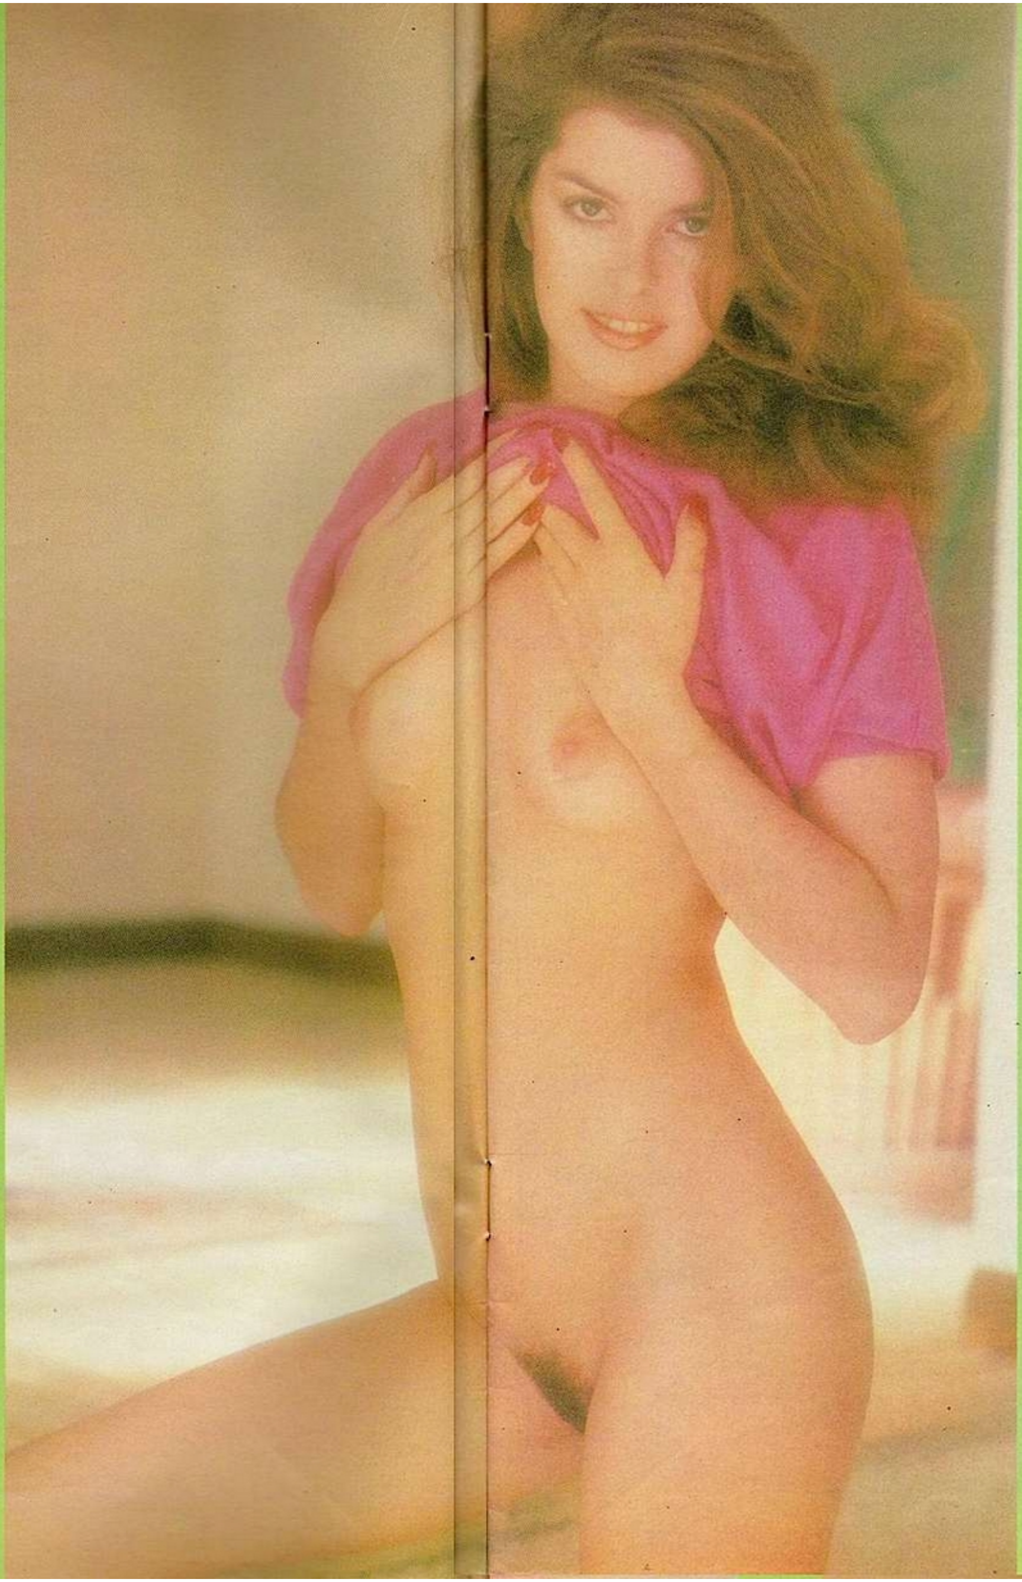
PHOTOGRAPHED BY MICHAEL ANCHER

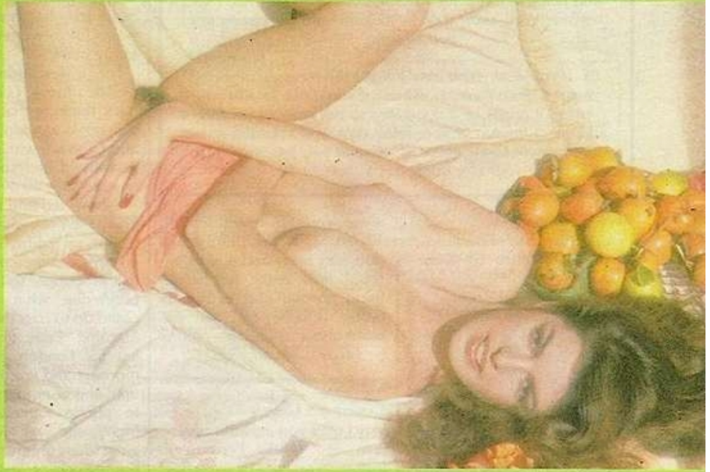
Clarice

Is it a parrot? Is it a cockatoo? No, it's a parakeet — or is that a weed killer? We may never know . . . The lady, however, is called Clarice and is French. 19 years old. 5'3" tall. 34-22-34. Sweet.

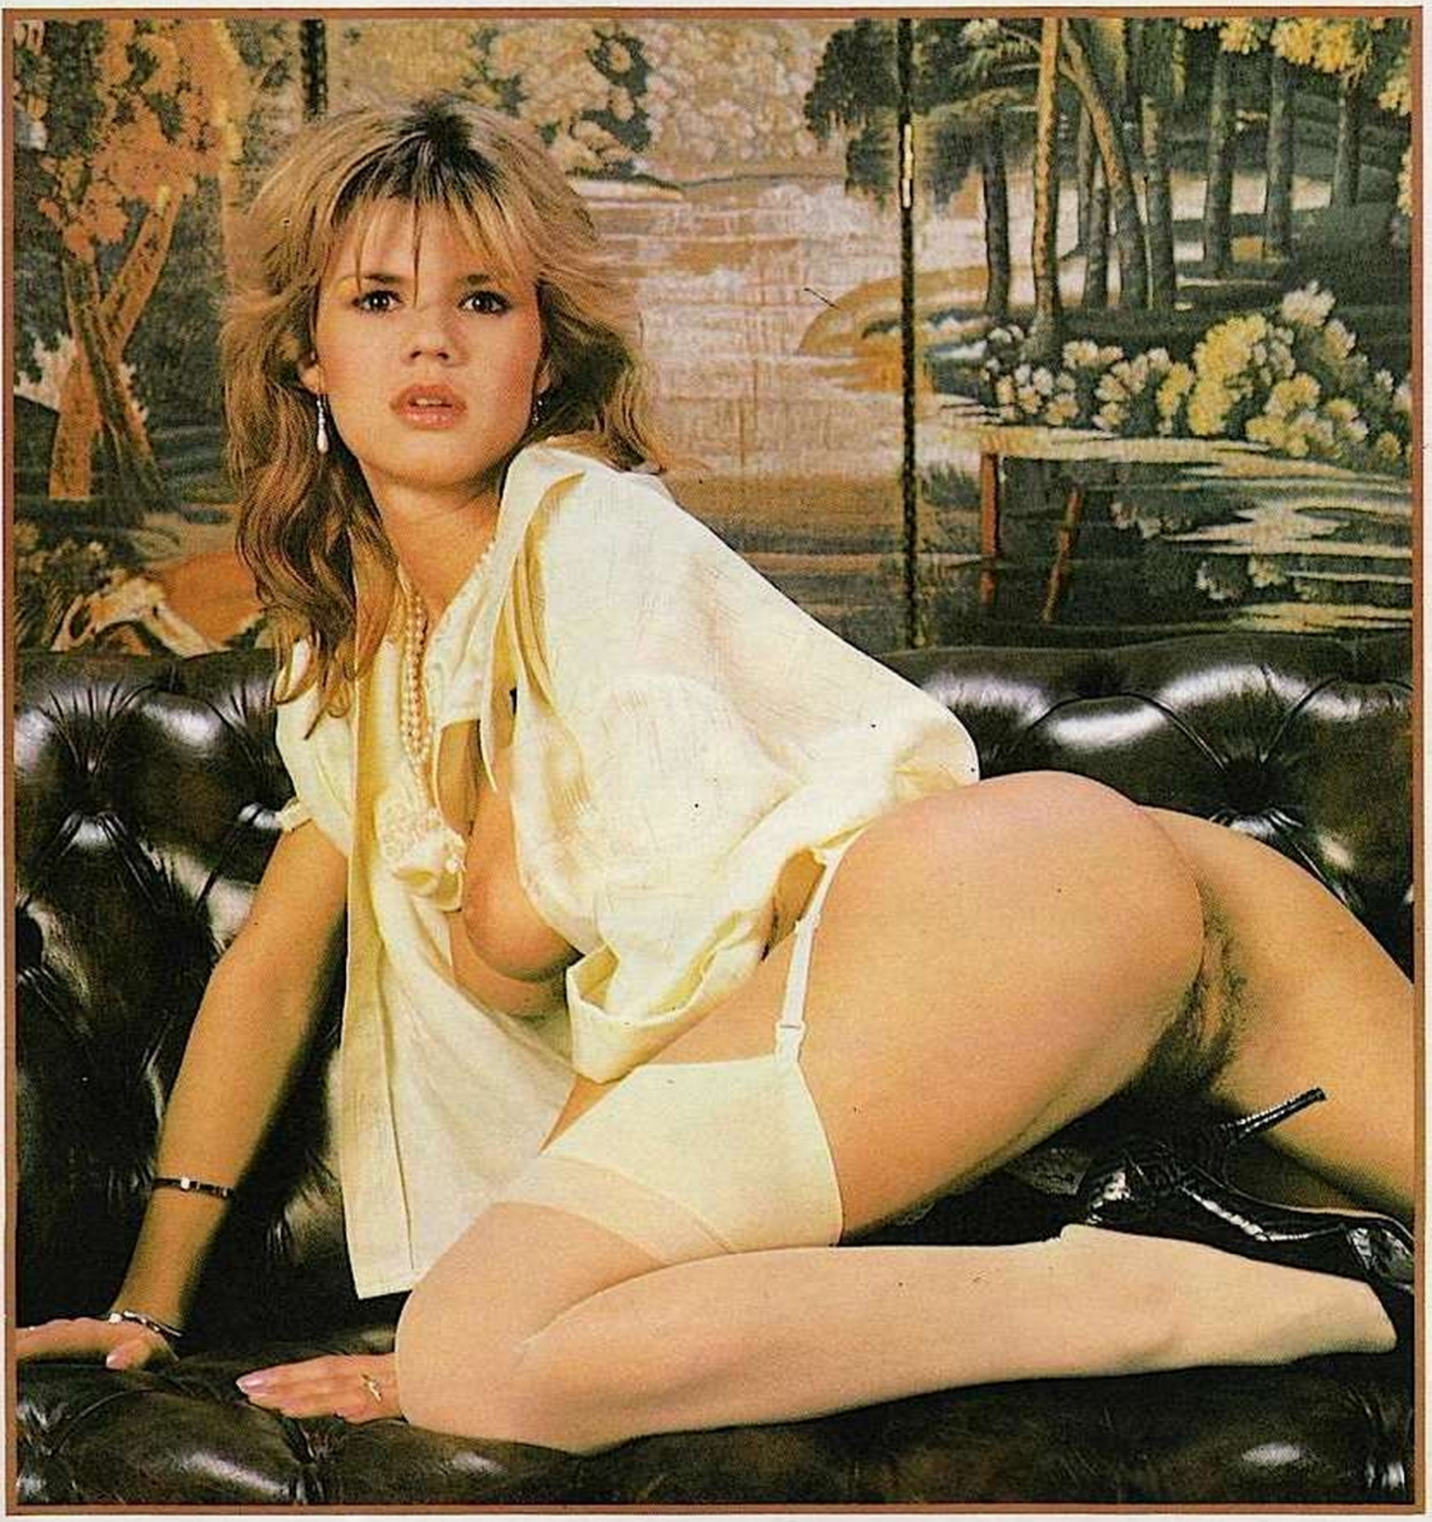


She barely had time to begin her job promoting expensive perfume in a posh store before she was chatted up by a marauding photographer. She succumbed to his blandishments, we're extremely pleased to say. And here are his pictures of her . . .





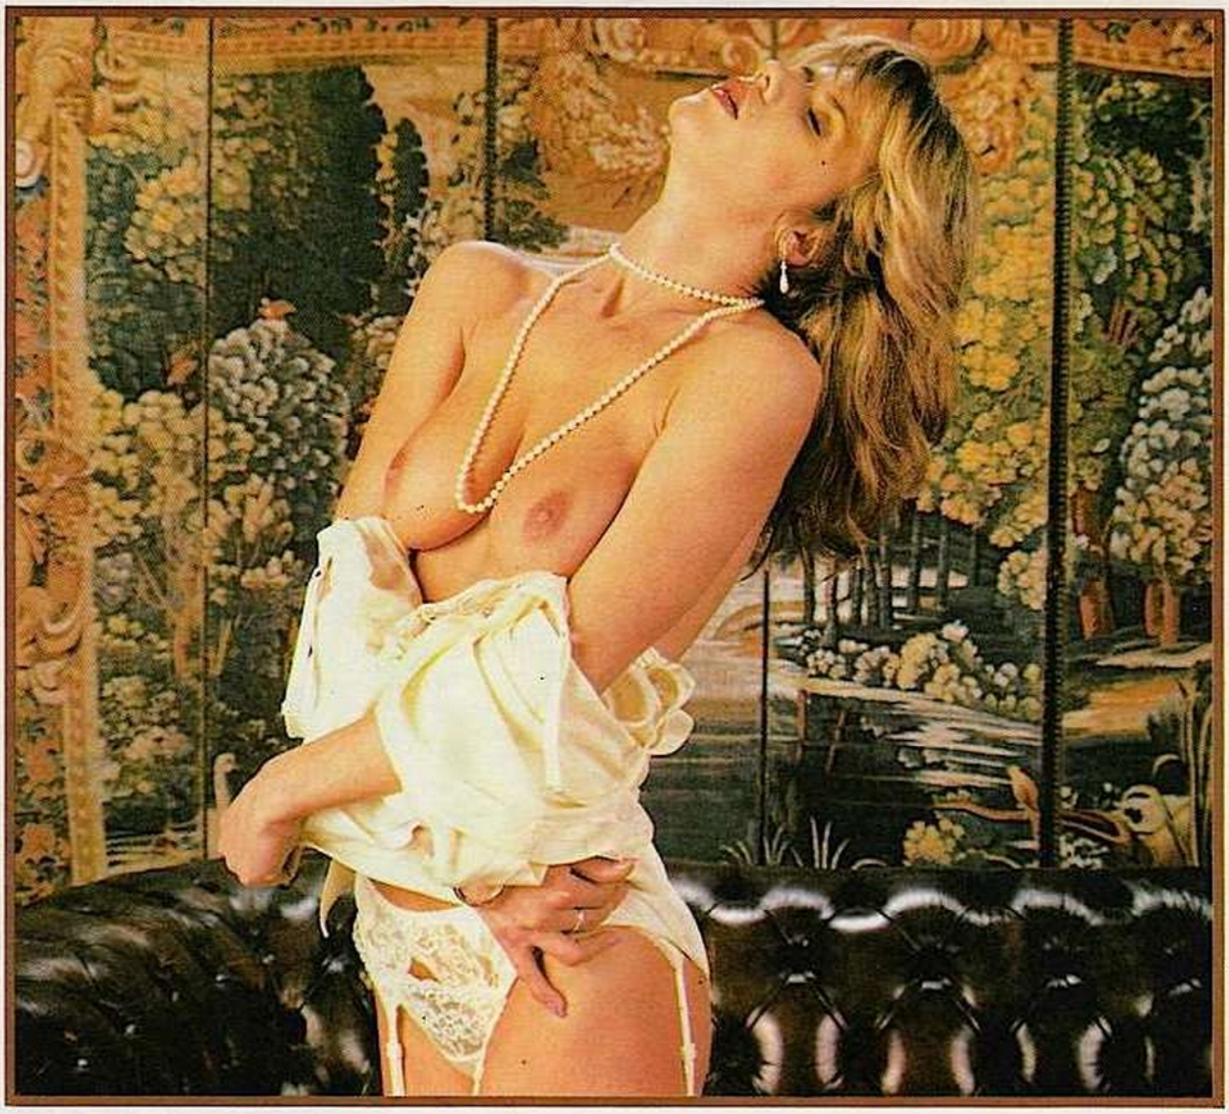
Fleur



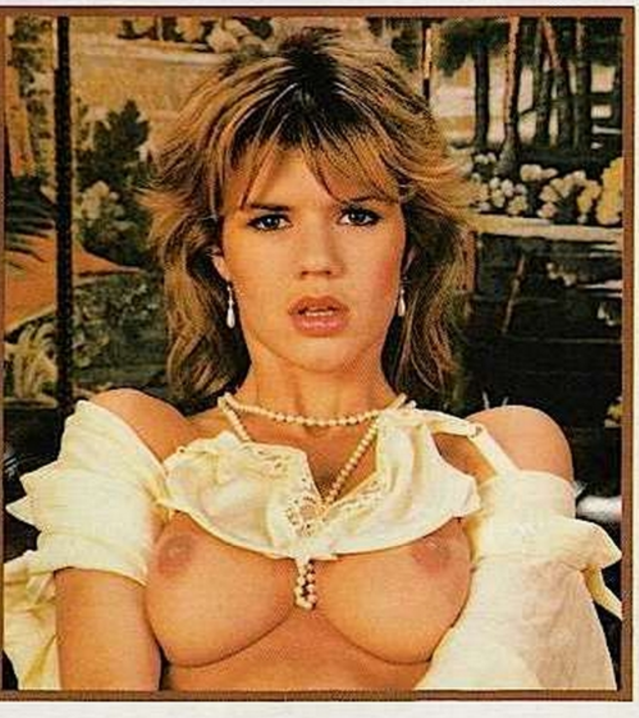
PHOTOGRAPHED BY K.K. JONES

This is Fleur. She is from Paris. She works as a beautician (or something) but models as well. Lucky for us. Lucky for you.

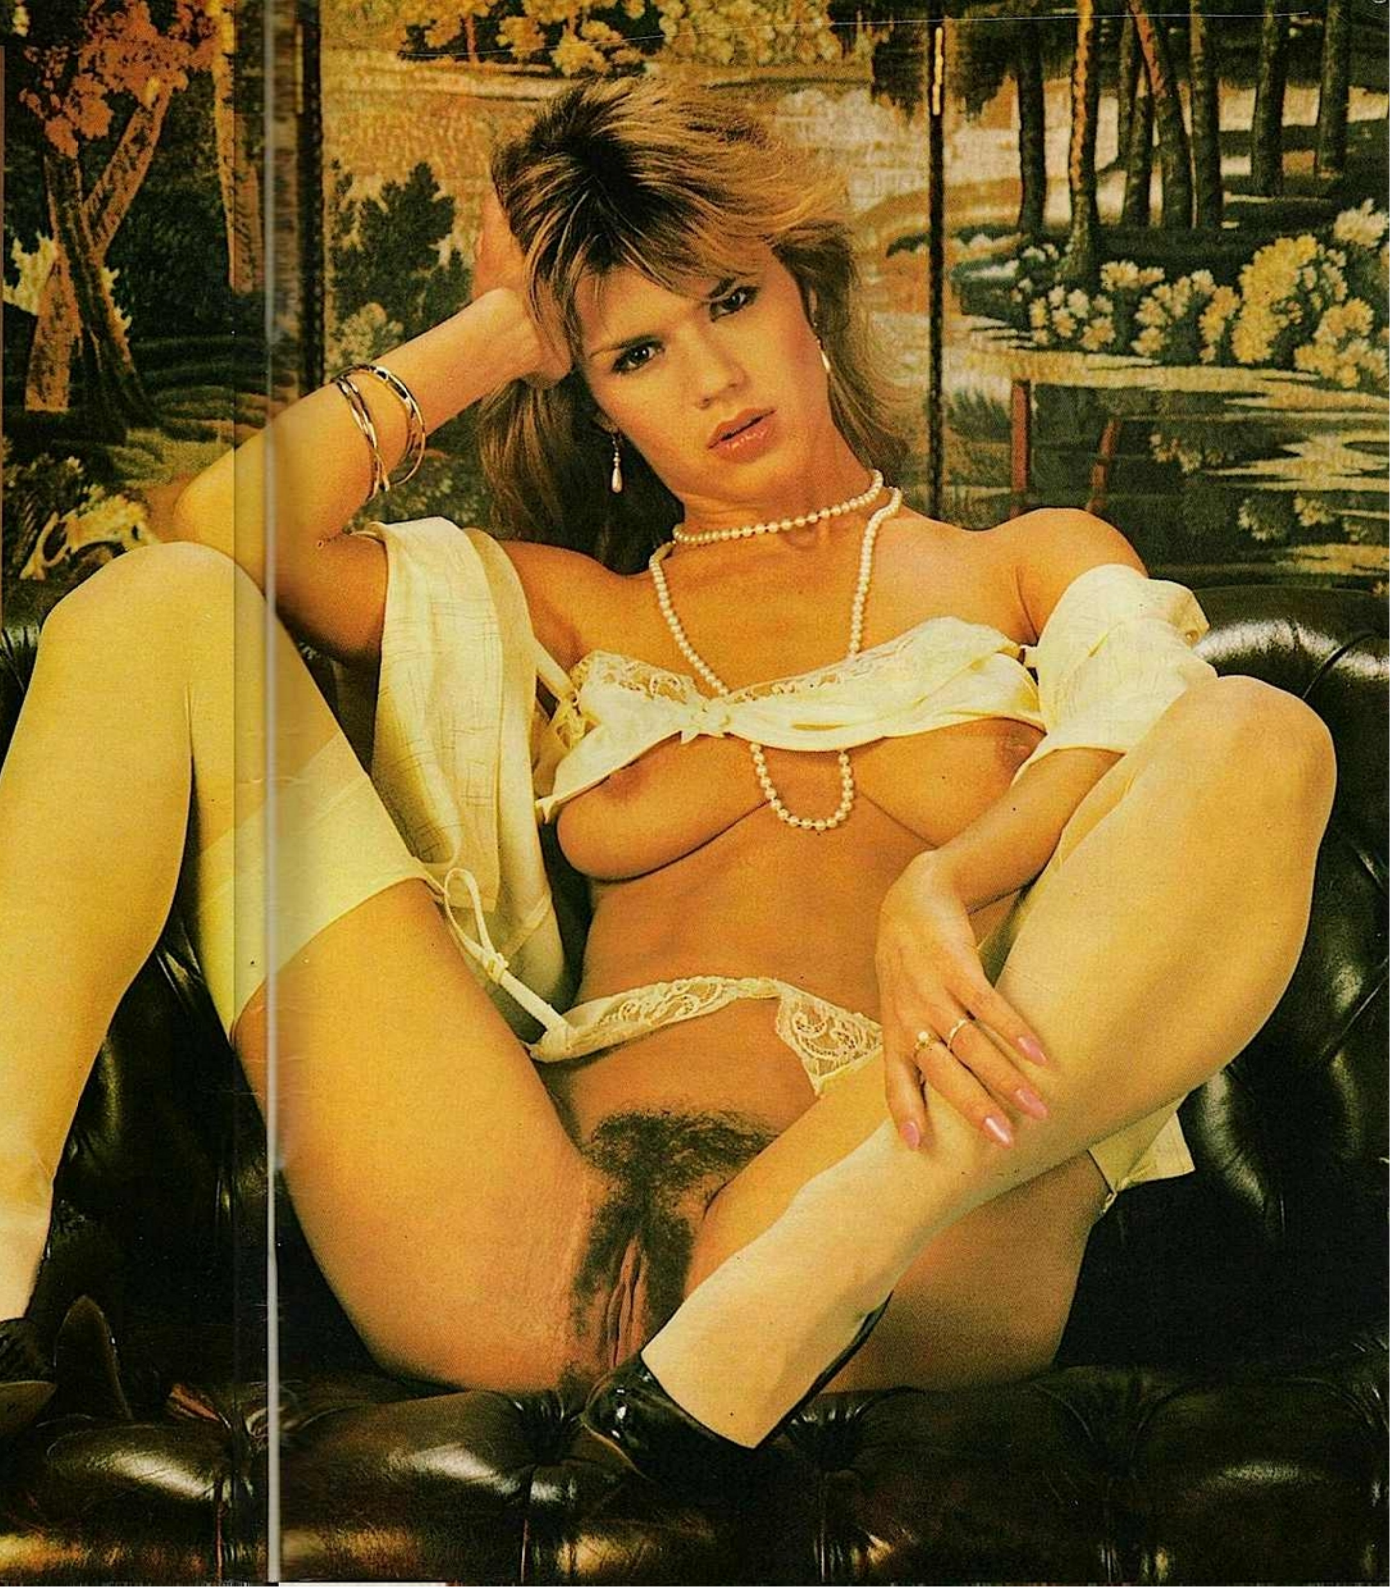
Big Ed had some weird idea about her being the girlfriend of some huntin' 'n' fishin' type, who had abandoned her for the thrill of the chase. The idea of someone as desirable as Fleur willingly playing second fiddle to a dead pheasant struck us as plain silly.

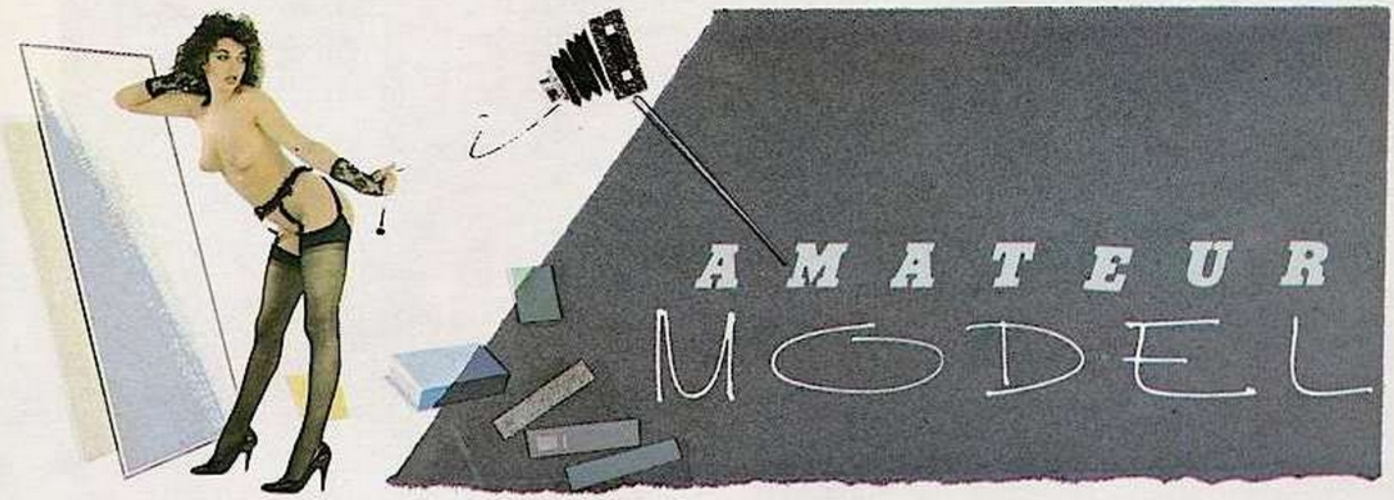


Trying to explain the theme to Fleur was even sillier. We gave up. She didn't need a story line. She knew what she was doing — and did it to great effect.



You are looking at 5′ 2″ and 34-22-35 of high class French sex appeal. Shotguns, tapestries and most particularly two dead birds, are strictly also rans. Agreed?





AMATEUR MODEL

This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

Siobhan Barry

PHOTOGRAPHED BY JACK ROGERS

Now here's a bit of class for you! A Night At The Opera which promises to be an experience indeed. The Marx Brothers wouldn't stand a chance — though they might make some rude remarks about her Cosi Fan Tutte.

Sorry — competition over. But we'll still pay you £200 for a day's modelling in our studios if we like your polaroids or prints. And £25 to the friend of photographer who took them. If you fancy getting into glamour modelling, there's no better way to start. So why not have a go . . .

EXIT

Siobhan (her mother is Irish, you see) is from Plymouth, though she now lives and works nearer to Bristol. She's 5'4" tall, 34-22-34 and had always wanted to try her hand at a spot of glamorous modelling. We're so glad she did. Who's next, girls?

TONI

PHOTOGRAPHED BY ED HOLZMAN

A 20 year old lady of leisure, Toni likes a Yorkshire terrier called Spike, two cats called Puss and Willow (honest!) and the occasional man when the good times have ground to a halt. Nobody serious. And certainly nobody who's going to get too serious.

Her father owns a garage in Wichita, Kansas and doesn't talk to her any more. He was born again. She was bored stiff. Now she lives and, occasionally, works in and around L.A. — dancing, modelling, acting, waitressing, having fun . . .
